Key Insight

Tjin's Toko offers the broadest selection (39 products, 10+ brands) at a below-average price of €4.44. ACE Market is the most competitive on price for a smaller range. Premium Japanese specialty sauces (Takesan Kishibori Shouyu at €21.60) command a 20× premium over budget options (€0.99). Budget-conscious shoppers should compare 500ml formats where price-per-litre differences across shops can exceed 40%.
